Mt Buller Sprint – MUSCLE

www.mountainmotorsports.com.au

When the flag drops at Victoria's Mt Buller Sprints in Four (4) Weeks time some very fast cars and historic motor bikes will leap off the start line to charge up Buller's best serving of tarmac twists and turns without fear.

It will be accelerating in more ways than one with many different shades for entrants, drivers, co-drivers, supporter and spectators gathering at Mt Buller for the event.

But it gets better! This year's Mt Buller sees the arrival of big banger muscle cars. V-Eights with more mumbo than Aunty Jack, it will be a sight for all to behold.

Yes there will be Porsche, Subaru, Mitsubishi EVOs and plenty of performance tarmac racers and cars. But it will be the arrival of muscle cars to the Mt Buller Sprint that will be the grand stand action.

One of those muscle cars will be the replica of Roger Penske's American Camaro. That's not to say the bevy of German, English and Japanese tarmac racers won't be exciting – THEY WILL.

It's just that the sound and presence of the big muscle cars at Mt Buller will fill a gap in spectator appeal and competitor excitement in the paddock that's not been experienced before.

V-Eight powered which translates into heaps of hill climbing torque. The Roger Penske replica Camaro is typical of all that makes muscle cars crowd pullers. The Penske Camaro reflects one of the most famous and successful Trans AM Racing cars of its time.

Furthermore 'seeing' the Penske Camaro, like all the muscle cars that will be at the Mt Buller Sprints is a reminder of the magnificent period between the 60's and 70's when in Australia the

popularity of V8 tin top door handle to door handle circuit racing was number one crack-a-jack motor sport action.

Yes those were the days when Norm Beechy's yellow shell Monaro jostled with the likes of Bob Jane also in a Camaro and Alan Moffat in his famous Coke a Cola Mustang.

So if you haven't got yourself organized to get to the Mt Buller Sprint between November 1 to 3, 2008, Don't delay, get yourself your crew your mates family and friends organized. Because, come November 1 – 3 some of the nation's very best motor sport action will be on at Mt Buller just east of Mansfield, Victoria
